STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State of VIRGINIA

_____ The agency uses less restrictive income and/or resource methodologies than those in effect as of July 16, 1996, as follows:

The income and/or resource methodologies that the less restrictive methodologies replace are as follows:

_____ The agency terminates medical assistance (except for certain pregnant women and children) for individuals who fail to meet TANF work requirements.

 X The agency continues to apply the following waivers of provisions of Part A of title IV in effect as of July 16, 1996, or submitted prior to August 22, 1996, and approved by the Secretary on or before July 1, 1997.

For individuals who receive TANF benefits and meet the requirements of Virginia's § 1115 waiver for the Virginia Independence Program (VIP), the agency continues to apply the following waivers of provisions of Part A of Title IV in effect as of July 16, 1996, or submitted prior to August 22, 1996, and approved by the Secretary on or before July 1, 1997.

The waiver contains the following more liberal income disregards:

1. Earned income will be disregarded so long as the earnings plus the AFDC benefits are equal to or less than 100% of the Federal Income Poverty Guidelines. For any month in which earnings plus the AFDC standard of payment for the family size exceed the federal Poverty Income Guidelines for a family of the same size, earned income above 100% of the Federal Poverty Income Guidelines shall be counted.
2. One automobile valued at \$7,500.

These waivers will apply only to TANF cash assistance recipients. These waivers will be continued only for so long as eligibility for TANF cash assistance is established in the same manner as eligibility for TANF was established under the welfare reform demonstration project for which these waivers were originally approved.
